

**Colorado ACDA Elementary Honor Choir**  
*CoACDA Summer Workshop, July 23-24, 2018*  
*Bethany Lutheran Church*

Dear Colorado ACDA Members and Friends,

We are thrilled to announce the 2018 Colorado ACDA Elementary Honor Choir! This year's choir will be led by the wonderful Robyn Lana of the Cincinnati Children's Choir and is open to singers entering 4th-7th grade for the 2018-2019 school year. The Honor Choir will take place at Bethany Lutheran Church in southeast Denver on July 23rd and July 24th. (See page two for the full rehearsal schedule). Participants will have the opportunity to sing an exciting program of repertoire and learn from one of the leading Children's Choir directors in the United States!

**Registration will be limited to the first 80 applicants**, so we encourage you to submit your registration early! *Students must be recommended by a director to participate in this choir. Please keep the following in mind when recommending your singers:*

- Singers should be able to produce a healthy head voice tone, match pitch, and sing simple harmonies.
- Singers should have unchanged voices
- Singers should be willing to learn and memorize music ahead of the festival and be focused and engaged during rehearsal
- Singers are highly encouraged to attend the pre-conference rehearsal on July 14th from 10:00-12:00 pm at Bethany Lutheran Church
- Singers should be available for all rehearsals and the performance

The cost for participation is \$40.00 per child. Payment is due at the time of registration. This cost covers their music, materials, snacks, t-shirts and a pizza lunch. *It does not include housing or lunch for Monday.*

You will need to assign your singers a voice part when you register. Please divide them evenly between Part 1 and Part 2. You can complete your registration online here:

[www.coloradoacda.org](http://www.coloradoacda.org)

Registration closes on June 30, 2018.

The Colorado ACDA summer workshop will also feature Shawn Kirchner (LA Master Chorale) and Chris Aspaas (TCU, St. Olaf), as well as many outstanding Colorado clinicians. We are very excited to provide this opportunity for our Colorado Elementary students and hope you will participate! Please contact us with any questions!

Sincerely,
